Wagner Jr. (Shelly); grandchildren, Shayla and Mikey Creel, Laniey Howze (Jordan), Baylor Duncan, and Lydia Cantrell; great-grandchildren, Kaston and Lacelynn Howze; as well as numerous aunts, uncles, in-laws, nieces, nephews, and too many friends to count.

“ *My sweet beautiful friend, may you rest in peace! I know you're making heaven shine with your presence as you walk the streets of gold! Now you're with your baby boy, Little Joey once again! Even though we haven't seen each other for quite some time, I'll never forget you and have always considered you a dear friend from the time we met while working at Sally Neauty Supply together! I love you and miss you forever!*

“ *Charlene I miss you so much but I know you are in Paradise. I am thankful to God for you and we had such good times in high school. Like when I towed your pick up truck with my Mom and dad's little Vega. We did so much but always ended up at Maw Boots and with Sherry and spent time in the house. You were going and I was an introvert and you helped me and showed me how to be a little more bold. So many memories. You showed me how to cook at Margie's sandwich shop and you made me eat my first fried oyster, it was good. You were with me at my wedding in Ponchatoula and did my makeup and you were. Thank you for being a friend no matter what*

Love you , Cynthia Wichman, Albany High School

“ Joey and fly of Charlene,
I've submitted a post of sympathy on Facebook Lite but in case you don't get a chance to look, Skipper and I wanted you to know you're in our prayers as this process is not easy. But with the Comforter it is better.
We know we'll be reunited in Heaven and what a glorious time that will be. There is one thing I also will say, Charlene was an inspirational influence on my ex-sister-in-law.
Before Jessica accepted Christ, she and Charlene were together in the nursery at a certain church. Charlene explained some things to her, and she probably never thought much of it, but she shared her Biblical understanding about something Jessica struggled with. After their talk, I was proud of the way Charlene brought this subject across.
Simple, but in a way that God led her. Jessica did accept Christ and maybe by now, Charlene has been rewarded, at least she will be.
God bless all the fly.
