“ *My mother is my greatest inspiration. She was always there for me even if she didn't agree with me. She had a hand in helping me raise my son up to be a fine young man and the apple of her eye. She is beautiful inside and out. Many people knew her, loved her and admired her. Many called her Mama. She and I looked out for each other for a long time and she truly is my very best friend ❤️. The house is so quiet and empty without her here. I knew my time was short with her but we always think we will have one more day. She knows how much I love her because I told her and showed her every day. God has taken her home to be with my daddy. I know they are smiling down on all of us.*  
*I love you Mama ❤️*

“ Just a short note to let the family know you are in my thoughts and prayers at this sad time. I visited with Charlene at North Oaks Hospital over a month ago. I prayed with her. She confidently stated she was ready for whatever the good LORD had in store for her. Please know she is at peace and we can be confident that we will see her again in God's kingdom! Love y'all!!
