“ Dearest Charlene,

I am still in shock! You were way too young and taken way too soon! You were there for me so many times in the almost 30 years we have been friends! Unfortunately, it was usually guy related- lol I can see you laughing in heaven at this comment. Any time I showed up at your house and you opened your door and saw me crying you would hug me, and tell Peachy, “Elizabeth will be spending the night!” I am happy that I got to see you a few years ago, but I am also sad that I didn’t stay in touch more- I have been thinking all morning about how I don’t always make the time to see my friends and for that I am sorry! Well, you will be happy to know that things are going really well for me at this point in my life regarding what we discussed last time I showed up at your doorstep. Your family was always good to me and my heart is broken for them and I will continue praying for them! Until we meet again my friend, I will always remember you, the good times we had and, of course, we cant forget all the good times at Shoney’s! I love you and I know you are rejoicing with the angels right now! XOXOXO

“ *Mama Charlene, that’s what she was to me, was one of my most precious and dearest friends. I am left with a hole in my heart from losing such a special person. I could always count on her no matter what the situation was. She was the best friend anyone could ask for and I will miss her more than words can describe. I have no doubt she is a beautiful angel lighting up heaven with her bright and sassy personality. I love you and you will always be in my heart, Mama Charlene. -Your girl, Lindsey!*

“ *Charlene was my neighbor when I lived on Cambridge Drive in LaPlace. Our kids played together. She was my birthing coach when my daughter Heather was born. She was always smiling and happy. I will always remember her for her kind heart and love for children. Love and prayers to the family.*

It’s hard to believe that Charlene has passed away. The day she left Norco was a sad day for me. Charlene may you Rest In Peace and fly with the angels. My thoughts and prayers are with all of her family and friends.
