“ I'm very sorry to have found this page, while trying to find Charlie. He was a mentor to me, as my first job out of college was under his wing as a P&P Officer. Charlie was kind, funny, loving, and a caring person....a true role model. I still have the letters he wrote to me when I moved back to Philadelphia. Very sorry to hear of his passing, and I hope all in his family are well.

“ Bruce and I are so very sorry for your loss. Bub was a wonderful man. He met all of his challenges head on - care of his parents, Katrina, and his illnesses. His door was always open and his heart filled with love for his family and friends. He will be sorely missed.

All our love and prayers, Jodie and Bruce
