“Dear Lori, I haven't seen you in a very long time, but your parents and paternal grandparents were dear relatives. Now I think of them as well as you and know that your whole family mourns the loss of your son. My heart hurts for and with you. May every word and hug feel like God's loving presence to you and may you feel God with you in the days ahead as you adjust to life without Charlie. May memories comfort you and God bless you. “Charlie, you have always been and will always be 'my son'. Since the day my Bubba introduced you and said you were 'his best friend brother', you were family. Look in on us from time to time, I always welcome your visit. Love you, Mom Deniese

“ We didn't know your precious son Lori but we remember you as a little girl back at Southwood Academy. Please know that we will be in prayer for you and Charlie's family. The hurt that you feel is also felt by our family. You are precious in His sight. The assurance that one day we will all be reunited again is comforting to believers. You are loved Lori from Tampa, Florida.

“ We are devastated at Charlie's passing. He and Philip were great friends. I remember when I went with them to the RA congress in Alexandria where we slept in a tent on the soccer field. The next day, we attended/participated in the pine box car derby. They were so excited about seeing this race that they didn't want to leave. Quite honestly, I was having a blast too. There were many memorable experiences we have of Charlie. One of my most unforgettable times is when our music director, Renato, and I took Charlie and Philip to Briarwood Presbyterian Church in Birmingham, AL, for Youth Cue. Renato and I thought we would have problems with the two of yhe being so active, etc. But, the behaved beyond what we expected. We lost them on one occasion and began to panic. As I was looking down one of the many halways, I glanced in to the sanctuary and saw Philip and Charlie in the choir loft. They were enjoying themselves so much, they wanted to be the first ones back to rehearsal!! They were loving singing with the group. Go figure! Anyway, we will miss Charlie, his friendship, kind demeanor, and smile. He was like one of our own. We are praying for all of you. May God grant you peace and comfort now and in the days ahead.

“ Please accept my condolences on the passing of Mr. Charlie please take comfort in knowing God is the Creator of life. The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died. You and your family are in my thoughts and prayers. My heartfelt sympathy goes out to you and your family. If you have any questions please contact me at the email listed.

“ *Our condolences for you all for your loss of such a beautiful man. We always enjoyed seeing Charlie when he visited Anikai. They were so happy together, and he gave her so much of himself through his care and his projects for her. We will miss his big smile and happy greetings, but he will live in our hearts.*
