“ There was always a "line" you did not cross. If you did, you were plainly informed how you had erred and were given an opportunity to repair your transgression. Charlotte was a good one to have your back especially if you were family. And you had better be nice to her family! The world is a little bit colder, the light a little dimmer but our hearts much happier to have had her in our lives.

“ I am so heartbroken of the passing of my dear friend & co- worker of long ago. I had no idea anything was wrong. She was as smart as she was beautiful. I was so blessed to be able to stand in their wedding. God Blessed my dear friend Norman by giving him this wonderful, life changing, angel to raise a family & grow old with💕
