“ Cheryl was such a support to me in New Hope ,Alabama and one if the most loving and kind woman I've met in my life. I moved there and didn't know many people but she was just one of those warm people that was easy to bond with no matter how tired or how much she had going on. She was dedicated to helping those still out there struggling. As a member of AA she is one of the people that makes the program work. Until we meet again I will cherish these memories. 🙏❤️
