“ Chris, you were my best friend and close neighbor all throughout High School, and we had many adventures together. During the 50 years after HS we didn't see or communicate with each other very often because our lives took us in different directions, but I always thought that one day we would reconnect, hang out, spend some time together and relive the old days. Sadly your life ended too soon and I miss you. You occupy a happy place in my memory and I will never forget you. Rest easy, my friend.

Nancy and I are making a contribution in your name to your special charity, which I know you were so generous to support.
