I first met Buster at the Effie SpMtg in 1956, my first time to LA. I was there to bring Dorne Garner and Charlie Mitchell back to Okla from Effie. I met Kirby at the store to ask directions to the Franks farm and he was going that way and to follow him. I knew nobody at the SP the next day but met a lot of people I never forgot since not knowing that my future wife was there also. I did meet Junior with Buster and Buster had a saying I never forgot, "Man, I'm tell'n you", and another BIG story. :) Wishing all the best to all the family! Jim

“ *James, Darla, Danny and Wes....our thoughts and prayers are with you and your families. Wish we could be with you. I will always remember and be grateful for the love and care that your dad showed to my parents. When my dad was in the hospital, your dad was there very often. One day dad was moved to another hospital and before I could let anyone know, your dad was there to see him. I looked out the window and saw your dad headed across the parking lot. Better days are ahead.*
