“ To Marilyn Hess or the children of Clement... I am Joe McNamara, son of Joseph B McNamara, who was the bombardier on Clement's crew in WWII. I wanted to connect with someone in Clement's family to share information and some photos I have of my father and Clement's service, and hopefully gain some additional information about their service and 52 missions together that he saved. I believe that my father and he were close friends during the war since many of the photos I have are of them both. If you get this message, please contact me at pr2001_@hotmail.com or my cell, 214 502-4662. I retired a year ago and live in Wilmington, NC. Kindest regards, Joe McNamara
