“ May you rest in everlasting peace and joy my dad. No sadness, no hurt, no pain....only unlimited light, happiness and abundance you have gained. Wishing you lots of laughter and smiles, watching me from above, and always feeling your everlasting love. So many things I wish I would have said, so many things I wish I would have done. Now it will have to wait until we meet again, far away from above. You are free now my dad, free of all worries, hurt and pain so fly high my dad in the everlasting peace and joy you have gained. I love you.
