“Kitty, Megan, April, and John, I was so saddened to hear of Cliff's passing. We were friends for many, many years. He helped me through the beginning of the computer age in our schools! He would come into my office with that smile and twinkling eyes and make everything ok. He will be missed. Please know I am praying for all of you.

“Was always playing pranks The only thing I ever won was a Saint Autograph football. When he handed it to me he pointed to the most important signature “his”. Never knew what to expect. Please be easy on God. Rest in pease.
