“ Dale,
"Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more that a thought apart. For as long there is a memory, they'll live on in our hearts." -Author Unknown

With heartfelt sympathy may God bless you and your family with comfort and peace at this time of sorrow.

“ Me and my brother Dustin Kirkland were best friends with you Colton. When our mom passed you came along and became an amazing friend for 10 years strong. And I can truly say you was a true friend. That not to many people can say they have. Now a days it's hard to find an honest true friend but I am thankful for these 10 years we had with each other. All of the times you have made us laugh. I will dearly miss you. And you will always hold a place in my heart. I love you Colton. Always & forever.
