“ So sorry for my loss, and condolences to her family, of my dear Friend Connie. We met in North Carolina at Gaston Memorial ....God Speed to you my friend, will see you on the other side...Your pain is over...I knew she was gone last fall, when she called me, and abruptly hung up....I tried over and over to call her back.....no answer...I finally after not getting her usual Christmas card...decided to look..to find what I already knew...Connie...you were my friend and my mentor...will always be in my heart...
