“ I never actually met Curtis face to face but we met through Facebook and talked on the phone a few times. I sure played a lot of his music on the radio and I will continue to do so. My prayers are with the family as we continue to remember Curtis and the impact he made.

Sis. Walsworth and I were very fond of the person Curtis Dykes. He was faithful to his mom to a fault. He was the same every time you saw him and that is a rarity today. We will miss you Buddy and look forward to hear you sing solo with the angels.
