“ My best friend Curtis a man with a golden heart. I knew him since 04 we work in construction together on many jobs in Arizona. One of my favorite memories of him was how he would respond to people when greeting a person they would ask how are you doing and he would reply " Fair to Midland and Partly Cloudy" his reply always made the person smile. I always loved how bold he was with folks never afraid to strike a conversation with anyone at any given place or time. It was a blessing to be his friend and I will dearly miss him for the rest of my days. My sincerest condolences to ALL of his family and I pray for the Lord to comfort you in your time of grief. I will always remember him when I hear this song
