“ I am deeply saddened by the loss of a sweet and caring friend who was full of laughter and love for her family. Cindy was overjoyed when asking her about her children and husband and couldn't speak enough loving thoughts about them. May fond memories of your mother bring you comfort during this hard time in your life. My heart and prayers go out to you and your family.

“ Sometimes in life, people are placed in your path intentionally! Teaching brought Cindy and I together and she immediately bonded with all of us. She was a passionate educator that loved her students. She spoke of her family often and gladly shared proud moments that she had of both her own children and her students. Cindy was also the kind of friend that was genuine and caring. She loved hard. She will always be a blessing in my life and I will carry her joyful spirit with me.

“ Mrs. Beall was my English teacher in 8th grade. She was the best teacher I've ever had. She was the most kind hearted person I ever met. We stayed in contact all these years. I love and miss her dearly. ❤️
