“ *Dallas was my teammate at Independence High School in the 1980's. We attended the Italian Festival together during that time and she was my "road dog " back then. I will forever remember and cherish the memories that we created. I have to work tomorrow, but her Family and Friends will be in my thoughts and prayers. May God give you guys comfort during your time of loss.*

“ Dallas was no doubt my once in a lifetime best good friend. 19yrs of always being there. She was my road dog on so many spontaneous trips to Michigan that she'd play DJ during making sure the music didn't stop and dancing even with the seat belt on the entire way there. Dallas was truly my rock..my constant..my friend who I will never ever forget. I can't say in words how much ill miss her for the rest of my life. Love you D..
