“ I just came across this and thought I have lots of memories of Darren. I cherish the ones before he was taken into the world of addition an as a result lost his life. Regardless he was my son and I loved him very much. I live with the regret of not doing more as a parent to help him get the medical help he needed an let him know that things were not hopeless and things could be better if I had gotten him that help he needed so much. I loved him an always will. I know he is in a beautiful home now because I was in church with him when he accepted Christ many years ago. Love you, my only son

“ *I will always remember being in middle school and getting to go play basketball on the old courts at Loranger Elementary with you, Daddy. Timmy and Micah. I thought you were the coolest of the cool and oh so handsome. Even when you picked on me and called me Phebe Vonda and said it sounded like a rock group. You had a wonderful sense of humor and a good heart. You will be missed, Darren. RIP cousin.*
