“ Nancy, your Mom was one of the kindest and sweetest people anyone has ever known and hopefully it brings a little comfort knowing she has touched so many lives. I know how close you were to your Mom and as I said to you yesterday, you were not only mother and daughter but the two of you were like sisters! You two created so many wonderful memories and now you can look back on those with fondness, warmth, and a lot of laughs. Because you were so close and such a loving and attentive Daughter, it just makes your heart feel that much emptier. I know it doesn't feel like it right now and though you will always miss her, over time your pain will begin to heal little by little.

Nancy and Jimmy, please know you both have my deepest sympathy during this time of mourning. My prayers are with you both.

“ Jimmy and Nancy,
So sorry to learn of Ms. Dauphine's passing, her infectious smile will always be remembered by those who knew her. It would always brighten my day when I would run into her and her lunch group, they always put a smile on my face and sometimes have me laughing. The rest of my day would always be brighter.

“ Dear Jimmy and Nancy --

Our family thought so much of both of your parents. I last saw Ms. Dauphine when she was waiting at Oak Park on a bench for Jimmy to pick her up a year or so ago. She was just as beautiful as I remembered her. My parents, Billy and Doris Abel, loved your parents and worked with them to make our community better -- especially regarding Little League.

I offer my condolences. Your parents must be proud of the legacy they have left with you and your family.
