“ Rest in Peace....to my Other Daddy...I can't believe you are gone. You have been my "fill in Dad" since I was 8 years old. I can't remember my life without you in it. You were my shoulder, my advisor and my butt chewing when I needed it, Pawpaw David to my kids, and even more so since Pop died. I just cannot believe you were fallable. You were always larger than life and guaranteed to make me laugh. We sure are gonna miss you. My love to you...now and forever. I'll see you around. Count on it.
