“ My thoughts and prayers are with you Debbie and his family. I always enjoyed talking and laughing with Dave and you when I would visit church. I will miss his joking and laughing. Ever time I fix my banana split cake I will always think of Dave. He enjoyed it so much. You have some great memories of Dave I know. And with those memories he will always be with you. No one can take them away from you. I know he loved you because he told me. He is at peace and rest now. I pray that the Lord will give you strength to go through this. It will not be easy at first but the Lord will be with you. I love you Debbie.
