“ I knew David from teaching with him at Eagleville. I so remember him fondly as being such a funny person!!! The last time I saw him was soon after his last really bad car accident. I met him and another friend for dinner in Murfreesboro. He was a nice guy and I know he will be missed beyond belief. I hope peace will surround his wife and boys. I am so sorry.

“ I worked with David at Red Lobster, its hard to believe someone so vibrant & full of life is no longer here with us. David was such a great guy, always warm & friendly to everybody, always a people person telling jokes & trying to bring people together (after work council meetings) I remember talking to him before he was married & had his boys & him talking about how much he loved his daughter & wished he could be with her. Then after he moved away I kept up with him on facebook it was so obvious to everyone that he was so in love with his beautiful wife & how much he cherished his two little boys, they seemed to have a fairy tale life. My heart goes out to his wife & kids for I can only imagine the pain they are feeling & to all of David's family. I know David was a man of faith because he was never ashamed to post his belief in God on FB, so I know he has gone on to a better place, but I just know he will be missed by so many friends here on earth. You were a great guy David & I am glad you were my friend, I will always be praying for your family to find peace. Love & peace, Larissa Vargas

“ David was a big part of my life as a child. I spent a ton of my childhood days playing in our neighborhood with David. We rode bikes with some of the other kids, played kickball, Superfriends, hide and seek, tag, caught lightening bugs, had picnics and a ton of other childhood activities. There aren't very many childhood memories that I have that didn't have David in them. He was one of my best friends. My prayers are with his family.

“ Words cannot express the sadness that I am feeling for your family and for all of us who have lost David. He was definitely a bright light in all of the lives that he touched. Husband, father, teacher, coach, or friend, whatever hat David wore, he wore it well and proudly.

*I will miss my friend. I will miss his teasing. I will miss his crazy stories. I will miss seeing the beautiful pictures of him with his family.*

*Godspeed, David, until we meet again.*
