

Dr. David E. Gaudin

July 18, 1952 - May 10, 2020

Dr. David E. Gaudin, a native of Baton Rouge, Louisiana and longtime resident of Hammond, Louisiana died peacefully at his home on Sunday, May 10th at the age of 67 after a long battle with Frontal Temporal Lobe Dementia. He is survived by his wife Beth, son Scott (Kay), grandson Wills, daughter April Braun (Andreas), grandsons Zachary, Patrick, Kaleb, granddaughter Julie, son Stuart granddaughter Abigail. He was preceded in death by his parents Geraldine and Alvin J. Gaudin and his brother Alvin Wayne Gaudin. Dr. Gaudin was a proud alumnus of LSU and LSU Medical School in New Orleans. He was the first person with physical disabilities to be accepted into LSU Medical School. He founded Internal Medical Clinic of Tangipahoa in 1980 and spent nearly 30 years caring for patients in his community. Dr. Gaudin served as interim team physician of the New Orleans Saints during the 1985 season while the Saints trained in Hammond. He was proud to serve as team doctor to SLU Athletics for 17 years. As well as teaching Pathophysiology to Athletic Trainers, Dr. Gaudin was also responsible for helping to establish one of the states first nationally recognized certified Athletic Trainer Collegiate curriculums at SLU. In 1995, Dr. Gaudin became the first recipient of the Jim Finks award For Outstanding Contributions to Sports Medicine. In December 2004, Golf Digest interviewed and published an article of him playing his beloved game of golf. In 2008, he was inducted into the Louisiana Athletic Trainers Association Hall of Fame.

He dearly loved his wife, family, caring for his patients, cheering on his beloved LSU Tigers, the game of golf and spending time on the water in Destin, FL. He overcame a lifelong physical handicap to achieve a great many things which served as an inspiration to countless individuals throughout his life. His loss has prompted those whose lives he impacted to share such kinds words with his family already: Role model and genuinely a good person; Compassionate, Great teacher, Special man with a big heart; So special to so many people; Great man and Doctor; He was more than my Doctor, he was a friend too; I'm better for having known him, as so many people are. To say that we are blessed to have had this amazing man in our lives is an enormous understatement.

Relatives and friends are invited to attend a Celebration of Life at Brandon G. Thompson Funeral Home, Hammond on Thursday, May 21, 2020 beginning at 11:00am until service at 1:00pm.

“ It was always a pleasure to work with Dr. Gaudin in my previous career as a home health nurse. He deeply cared for his patients and in return they truly cared for him. He was an inspiration to all of us in the medical field. He made his mark on many people’s lives. He will be missed. Deepest condolences to his family.

Alena - May 29, 2020 at 02:40 PM

“ It was a privilege to have been able to work with Dr. Gaudin and then later to have him as my primary physician. He was a great doctor and an inspiration to those who he met. He will be greatly missed. We lost a great doctor and friend. His family will be in my thoughts and prayers. God bless his and keep his family.

Yours Truly,
Norma Stewart RN

“ To the family of David,
I had the privilege of going to school with David from elementary through high school. He was always just part of the gang, his handicap was no big deal.
It wasn't until I got older that appreciated how hard he had to work for all his accomplishments.

Please know that my thoughts & prayers are with you.

Sincerely,
Julie Cotton Viator

JULIE COTTON VIATOR - May 21, 2020 at 02:04 PM

“ I have known David since elementary school at Glasgow in BR. We graduated Lee High together. Had some grand times playing tackle football in his front yard, on our knees. No one could beat him in arm wrestling match. He was the football team manager and took good care of us. Water skiing at False River, he on his sled, me trying to toss him off. He would never give up on a golf hole. He was a good friend and will be missed. I know that his last years were tough on all. Thoughts and prayers to the family. Mike

“ *Beth: You and David blessed our lives, and I know he gained a few gray hairs taking care of Judy. We will always remember him, and you, too.*

Charles Spratt - May 19, 2020 at 04:27 PM

PK

“ *Dear Beth and Family:
Having been born with a form of muscular dystrophy myself, David was always an inspiration from the first moment he entered the examination room at Internal Medicine years ago to greet me as a new patient. His energy, love for life, and for all things athletic were like a tonic to anyone feeling low from illness. Never too busy to converse with patients on a personal level, David was both personable and an excellent physician—kind, caring, and most effective in his diagnoses and treatments.
Please accept my heartfelt condolences. He will be missed greatly,*

Prof. Martin Kearney - May 19, 2020 at 04:25 PM

“ Beth, I was so sorry to learn of David's death. I know how difficult the last few years have been for you, your family, and David. Please know that you and David have my utmost admiration for the way that you handled this adversity. I am praying for you and David-- for peace and grace. May God be with you in this time of grief and adjustment. I pray that with time your grief will be replaced with just the good memories of your life together.

“ I will always have fond memories of Dr Gaudin from LATA functions. I, especially remember a luau he hosted at his home for the entire LATA where we took a photo of everyone by the pool. He was always a true gentle man, kind & caring & friendly. I will miss him. Please accept my deepest sympathy at your loss.

Susan Squires Stroud - May 17, 2020 at 03:37 PM

“ *When in a difficult decision, I could count on his knowledge and experience to help. Has been like that since he was my teaching resident.*

But also, a good guy. we went to different schools, but were in high school clubs together.

He was a leader. And he could play flag football. Could get across the field and get your flag. His situation was only a minor inconvenience.

Beth, your care and love were sustaining to him. God bless you.

“ David's grandmother and my grandmother were sisters, so we were second cousins. However, I had never met him until he became my family doctor when he moved to Hammond. He was quite simply the best physician I have ever known, as well as a kind, caring person.

Barbara Forrest - May 17, 2020 at 12:51 PM

CF

“ Dr. Gaudin was our family physician from the time he opened his practice in Hammond until his much too early retirement. He was a wonderful doctor who helped our family tremendously. I can still hear his advice, "There's no such thing as minor surgery!" I applaud his wife Beth for the care she provided Dr. David and all her patients at Family Medicine during this period.

Clark Forrest - May 17, 2020 at 12:39 PM

SK

“ *Dr Gaudin was so important to Mom as he cared for her thru the years. You and Janet & and Dr Gaudin were all important to her. She trusted you all without question and when she decided she had fought long enough, she trusted Dr Gaudin to make her last days pain free. She begged us to stay in the hospital where he could take care of her. She had 5 days left and he was there for her every day. He cared. My Mom was the first but, we all came under his care and yours, Beth. I will never forget how he diagnosed Josh on his first visit after his pediatric clinic had missed his heart defect for years. Within days we were at Ochsner's for open heart surgery on my 18 year old son. Literally, Dr Gaudin saved his life. Josh turned 40 this year and is healthy thanks to Dr David Gaudin. He was kind, caring, and intelligent. He meant so much to my family and we will never forget him nor you.*

“ My heart is broken. He was such a kind and caring Dr. I was always happy to see him. Prayers to the family. Ms Beth I think you know that he had many fans. He was so kind to us nurses. He told me one morning in ICU at Westpark Hospital, everybody was picking on me for being so trusting with a difficult patient I had during the night. Dr Gaudin told me ‘ don’t listen to them Donna, you just stay the way you are.’ I will never forget this sweet and compassionate Dr.

Donna Fabre - May 15, 2020 at 11:07 PM

“ Truly the kindest Doctor and man that a nurse and eventually his patient could ever know. Always a wonderful teacher, a great listener and gave the most sound advice. Truly became a better nurse because of him. My condolences to his dear sweet wife Beth and his daughter April who I know personally. Also to his parents and sons who I’ve never met but heard about from him with such great love in his voice. We have lost a wonderful man and Doctor.

“ When David first started his practice in Hammond, I approached him to become our Medical Director for our agency. He agreed and also agreed, because we were just starting up, that his fee would be a po boy of his choice Monthly until we were on our feet. That was the measure of his kindness and warmth as a man and as a physician. Over the years , I was blessed to have him continue in his role as Medical Director , but with other agencies and now with his appropriate fees. He amazed everyone of our staff with his knowledge, warmth, and love of his patients. He and Beth were a wonderful team! I feel so blessed to have known him professionally. Later as our physician for my husband and I , and our dear friend. May God’s blessings be with you, David. Rest In Peace now, heaven has a special person and physician!

Richard and Linda Prima - May 15, 2020 at 08:38 PM

“ My family has so many memories of this dear man! He was Dr. to my DD and I for many years! More important, was the friendship and kindness that I witnessed between “Jose” in his later years! He was a superior doctor and man! When he was lucky to find Beth, I made another friend, one who cares for to this very day! God surely must have wanted him because he left behind hundreds who depended on him for their medical care! God bless Beth! She took his place for so many while caring for him with a deep love and joyful smile! We love you, Dr. Gaudin!

Ginger Daughdrill - May 15, 2020 at 07:23 PM
