

## David L. Head

March 24, 1966 - February 11, 2019

David, age 52, passed away on Monday, February 11, 2019. He was a resident of Hammond, LA. David was an LPN who most recently worked at the City of New Orleans Shelter and Engagement Center where he found what he called his “work home.” People gravitated toward his friendly, caring and out-going personality. Helping others in any way possible was essential to him and he sought to help and encourage others no matter their circumstances. David enjoyed cooking for others, the bigger the crowd the happier he was. He was an organizer who couldn’t resist setting in order any environment where he lived or worked. David liked to tinker with woodworking projects such as organizational shelving, bird houses and garden planters. He loved many kinds of music and he enjoyed being outdoors to relax. He was a compassionate, giving and peace-loving man who will be deeply missed by all who knew him.

He is survived by his son, Parker David Head; sisters, Joycelyn Ann Head Jamieson and Peggy Lorraine Head; and brother, Daniel Patrick Head.

David is preceded in death by his parents, Horace Lynn and Joann Byrne Head.

In lieu of flowers donations may be made to the shelter at START Corporation ref: Low Barrier Shelter, P.O. Box 165, Houma, LA 70361.

“ David was larger than life. He was one of a "special" kind. And he could cook !! I'll always remember how he and his son came to my church to help me prepare a meal for bible study. That's the kind of person he was--always giving of himself. As a nurse, I could always count on him for follow up on his patients. His smile was infectious. He was skillful and talented. Whatever you needed, David could provide. You will be missed David, but you're in our hearts forever. God bless your family as they mourn your passing.

“ I will never forget all of David's funny stories about life in general. His laugh was infectious. I am so sorry that his life was cut short, it seems that he had so much more to give. I will miss you, my old friend. My sincere condolences to his family, especially Parker.
