“ I just found out from a former co-worker of David's that he had passed away; I didn't know! David was one of the kindest, most generous people I've ever known; he was indeed a gentle giant, and he will leave a palpable void in his absence! Peggy, Lil' David, Ashley, I love you dearly; always will! I'm so sorry; I didn't know! Linda, Joseph and Matthew Alessi

“ For many years I spoke with him many times a day. Our jobs coordinated many variables, but in truth there was also a fair amount of visiting and humor being shared. I learned a lot about saw mill operations from him. But more than just work, we became good friends and stayed in touch even after he retired. It was my turn to call him this month. I'm sorry that I missed my last turn. He knew endless, entertaining stories and was always happy to chat unless a grandchild needed him. I will miss him. -G. Fox

“ DAVID Was Truly a GOOD Man † ! I worked at the Hammond State School where he served as Security Officer.

I remember that he had a very close call at the railroad crossing from Hwy. 190.

He and I spoke of this experience and I can honestly say that it gave him a different and more positive outlook on his life !! † 🙏 🕯️ ❤️
Rest in Peace Buddy !! † ❤️ 👍
