“ I'm really sorry to ask this on here but when are his services and I send my condolences to his family. I met David late last year at a RV Park we were staying at. He was the only person that talked to me and my family. We started hanging out alot then we moved but he would still come over and visit with me. I was waiting for him to come by one night and he never showed up. I tried to call him and message but no answer. One day I ran into a girl he bought over before and I asked her about him and she told me the news. He is a really good person and kind hearted and would do anything to help out anybody. I miss him. He never really talked about any family. He mentioned a son, a daughter, a brother and I think a sister. I hope someone contacts me and let's me know something. I'm Brandon Andrews, I'm 39 I live at Out Post RV Park in Pineville Louisiana. I hope this helps. e-mail nate17lotus@gmail.com
