“ I am just now learning of David's passing. Dave was a great friend, and though our friendship began as business associates, we quickly grew to be best buds. While I have many fond memories of Dave, the one that immediately came to mind was when Heather and I were at Dave and Nicole's in Fairport, NY for a true Louisiana Crawfish Boil. Dave had a 40lb bag flown in special just for dinner. These damn things were soooo hot, I tried to eat them, and Dave and Nicole just laughed. Of course, I'll always remember our daughters being born on the same day. Seeing Dave and Nicole at Rochester General in New York when I rolled my wife in. Couldn't believe both girls decided to make an appearance at the same time. Nicole, Courtney, and Tyler, I'm not sure what happened, but words cannot express the grief I feel for the three of you. Far too soon my brother. I'm sorry its been a while since we touched base. Until next time. Rest in Peace. - D. Jeremy DeMar, Rochester, NY

We are so sadden to hear of David's passing. We were neighbors and friends when he and Nicole lived in Canandaigua. David loved his family and was always their for his friends in need. He was a hell of a good cook ! and we enjoyed when he would cook Louisiana style for us. We also golfed together, well he and my husband did well Nicole and I tried our best. We also were on a couples league for bowling. We remember Courtney as a young girl and thrill when Tyler was born Dave always said I was Tyler's She'll. Rest In Peace dear friend you . Nicole, Courtney, Tyler you are in our thoughts and prayers.

“ *I am deeply saddened to hear the news of Dave's passing. Dave was instrumental in giving me the start of my career. We met through friends at Graybar Buffalo and shared the same career path for many years. I remember when both of the children were born and how he treasured them. He was a kind, caring and wonderful man. He will forever be missed by so many friends and colleagues. My deepest sympathy to the Sheppard Family. I am so sorry for your loss. Sending prayers.*

“ I will never forget all the rounds of golf every thursday and Sunday while you lived in Rochester we had some good times. And you picking me up for lunch after surgery to get me out of the house. And David could cook a mean rack of ribs. Even though we grew apart when you moved back to Louisiana I will never forget all the good times we had. Sorry for your loss Nicole, Courtney, Tyler David will never be forgotten. RIP David your friend Dave Riehle
