“ David was a true blessing for me as a single mom. He made his homeplace a rental property that was so good for me and my 2 kids. It gave us shelter and a place of peace. David would come to town and I wouldnt know it... I would hear the mower crank and I knew it was him. Praying for Gayle and all the family as you journey this season of life without him.

“ I loved Uncle David and sad to hear of his passing. My daughter, Olivia, was in the hospital in January and the hospital phone rang. I answered the phone and it was Uncle David! He called to wish Olivia to get better. It was wonderful hearing his voice on the phone and connecting with him. Sending the entire family my heartfelt condolences. With Love, Jana and Paul Wallen, Lawrence, Kansas.
