“ Mr. David is one of the kindest men I have ever known in my entire life. His affect on the lives of me and my siblings -as well as so many others- may never be fully known. I recently found a letter of recommendation that Mr. David wrote for me for college. He said the kindest things about me, things that I needed to hear then and again as I found it recently.  
I will forever be grateful that I was able to be touched by this man in my life. I hope that he knew just how special he was to so many and the least of these, me.

“Pine was a friend and co-worker for the past 40 years. I always enjoyed his company from our days together as Research Associates at LSU all the way through our time together as LCES Extension Agents. I never think of him without smiling. A truly dedicated agent, extremely intelligent and a caring, gentle person. And what a sense of humor! God blessed all who knew him by letting them know him.

“I had the pleasure to work with David through the 4-H Club Program as a 4-H agent in a neighboring parish. David was the go to guy for information and ideas! He always was willing to help anyone in need and was so great to be with. I feel so blessed to have known him as a colleague and friend. He was an icon to us all as a 4-H agent and was a truly wonderful person. He loved his family dearly and his Lord in Heaven. We will miss this truly wonderful man but always treasure the lasting memories. Rene' Schmit.

“David was one of my favorite people in the Extension Service. I loved his sense of humor and his sense of life. His ability to put his spin and his unique philosophy on why Extension training meetings were important will always be a great memory of him. He was a smart and caring man.  
Rusty I agree, James 1:19 describes David beautifully.  
Praying for God's peace, mercy and comfort for all of David's family.

May God comfort you and grant you peace knowing how much an influence he was to the youth in our schools.
