“ I miss you my friend. To not hear your voice, your laughter, and not see your smile. Life is a wonderful journey. I'm happy that you were a part of mine.

“ *My Condolences to the Stigler family. A fond memory I recall of Dawn was a time I came to visit and we were all at Wendy's house at Grand Isle and her laughter and beautiful smile could light up a room. May she rest in eternal peace and now light up the Heavens with her contagious smile.*

“ *I have a lot of favorite memories of Dawn, the most memorable ones are when we first met in New Jersey and I rented you a house in Old Bridge and you taught me how to make chili. The next is when I came to visit you in Ponchatoula and as we were driving to your home and I said look they have cows in their front yard and we pulled up to your home and you also had cows. Good times I will never forget of my friend. Rest In Peace. 🙏*
