“ *My thoughts and prayers are with all of you. So many good memories of us being friends and neighbors growing up. She had many waiting for her at the gates of heaven.* ”

“ *I was not even a teen and you were a cool teenager, neighbor and family friend. I was thrilled that you and your friends were talking to me on the school bus. I loved sharing information about my handsome cousin Arlis. Soon you became a legal member of the family. You were great fun to cut up with and laugh. I will forever remember your smile and laughter and thank you for always being supportive of my and my endeavors. Your O’Nellion and Randall family will keep your memories alive. Rest easy and in peace dear cousin.* ”
