“ Aunt Lois was truly one of the kindest ladies that I've ever known. I never heard her raise her voice or get angry. She loved her family, was a wonderful cook but most of all she loved The Lord. She will be missed by all who had the good fortune to have known her. My thought and prayers are with you all.

“ *I am thinking of all of you these days and know that it will be the lonely times later that you will miss her most. I had many a special time in their home and such special memories of meetings in their home and just sitting around talking. She will be missed. But thankful for a loving Father who knows and understands our need at this time.*
