“ It’s been 55 days since Don has left us. He will be with us in our hearts and memories for so many more moons. He was a very strong principaled guy who shared from his heart. He could work harder than most people 20 years his junior. I am very blessed to have had him for a mentor and a sponsor. He overcame many roadblocks and personal obstacles. He was a true man’s man. He really touched more people than most would realize. Don please save a table for us up there. Looking forward to some more stories!
