

Donald "Breaux" Warren Faulk

“ When DON came fishing in Cocodrie, I could never get in my boat before him jumping in to go fishing with me. The boy really loved the water. He didn't care if he caught a fish or not he just enjoyed being out there, as so did I. Love you, DON.

“ The years and memories we have with you will always be cherished. The nights we spent with you when BD III needed his 4 am feeding and you were up with coffee in one hand and a beer in the other💕💕 The shed full of life, love and fun we hold close to our hearts. Brother in law and Breaux will always make us smile. He hit the gas tank and dented his fender, threw out a rock and busted his winder and he ain't cuttin' grass no more.
RIP Uncle Breaux
Love always, Bobby Dale Jr and Anna
