“ Please accept my condolence on the passing of Mr. Donald Mueller. Take comfort in knowing God is the Creator of life. The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died. You and your family are in my thoughts and prayers. My heartfelt sympathy goes out to you and your family. If you have any questions please contact me at the email listed.

“ Dear Betty,
I hope you read this fond memory of Don because it will bring a smile to your face. The first night we visited the Why Knots you and Don welcomed us warmly. Don took it upon himself to help coach me through the visitors' dance. When Ron said "Allemande left!", I proceeded to do that, and Don was yelling at me, "Your left! Your left!" until he realized I was allemanding left. After that, we always laughed about him meaning my "other" left. You and Don are very dear, kind people, and Luke and I thank you for your friendship. You have both been on our church prayer list for some time, and Luke and I will continue to pray for you. The reason we did not attend the service is that we moved to Tennessee and only heard about it from Ron Harry.

“ Betty & Hoppy La Croix enjoyed dancing with Don & Betty from away back in Joe Paddy's garage and to Lessons from Mike Litzenberger where when Mike yelled at Betty he had to add 1, 2 or 3 to it. Godd times, fond memories camping. Don't stay a stranger Betty, come visit Y-Knots once in a while.

“ My condolences to the family. I worked with "PawPaw" as we called him at DuPont. He was greatly missed when retired. My mother (Josephine Wille) and her sisters (Carmen Roth and Dothory "Dottie" Signorino) were also a member of the "Y-Knots" for years and knew Don.

My prayers for the family are being offered.
