“ Well what can I say that hasn't been said about Don Piatt. I first met him in Atlanta after being relocated from Charlotte N.C. Working for United Air Lines. I was only 19 years old and he was always a friend to advise and guide me. Last saw him and Sally at Callaway gardens when they came up to Georgia to attend a2003 New Year's Eve celebration with friends. I always looked forward to a Christmas card with Don's exemplary cursory skills that always arrived right at thanksgiving. A fine man in my mind.

“ I have been best friends with Robin for my entire life. Therefore I have grown to love Don and Sally as second parents. We shared memories of a lifetime. There has not been one day gone by where we don’t text or talk to each other. Don, dad #2, has been there for me through thick and thin. He always thanks me for loving Sally and Robin. It’s so easy to when you really love each other! Through our airline days to today, we are FAMILY!💜👉 I already miss you dad so please look after us with your wings in Heaven🙏 Love, Dee and Peter

*Just found out about Don's passing today! He was a great boss for the 5 months I was in MSY. I was furloughed along with 5 co-workers in the fall of 93. Don made sure all 4 of Us got placed elsewhere. None of Us had recall rights with UA at that time so that was amazing! He was a SUPER boss as well of a Man! Rip Don!*
