“ Geez. Where do I start. Momma it's been almost a decade in a few days. God that seems so unreal. Not one day has passed, that i haven't had you come to mind. As the days add up that you are gone, it seems if I look in the mirror and I see myself looking more and more like you. It hasn't gotten any easier. To be honest mom; I wish you were able to be here with me to enjoy my happy and to remind me to just enjoy myself. You always reminded me to do that. I sure hope you look down on me and our proud because lord knows that I'm trying my best to. I love and miss you mom.

“ Red i always said you was one of the best woman i have even known and nobody has ever come even close to you. Tomorrow is your birthday and its 2020. Seems like forever when i first heard your laugh. And all the funny stuff you always made this girl laugh. You were genuine down to the letter and i miss you dearly. You were so beautiful with your long beautiful red hair always in a pony tail. And girl real yes indeed. I thought you was always perfect just the way you was and you were. Always could brighten up a room with that smile. I will never ever forget the talks and and times we shared. Boy does nessie look just like you. And time has went by so slowly. Amd seems like all the best people are leaving us one by one. I can always hear you laughing. And girl i never want that shrimp recipe. Lol. Doll baby doll.
