“ Mom, tomorrow will be a year since you passed on to your heavenly home. We all miss you so very much. It's hard knowing you're not here with us anymore, but I know you're watching over all of us and loving us as you always did. I miss you every day, but Brad and I are so thankful that we have had such a wonderful Mother who loved us, and always put us first. You were always there for us in good times and bad. I knew I could always call Mom to talk, and I miss calling you every day on the way home from work. I miss coming home and having you there to ask how my day went. I miss your hugs and sweet smiles. All of us miss you being here. I will love you for all eternity... Mary

*Kelly - Maw Maw loves you very much , and will continue to pray for you as she always has. She prays for each of us by name every day, and I know she will watch over us all and ask God to keep us safe. We will all miss her very much and think about her all the time. It's very hard to face the fact that she's gone, but i take comfort in knowing that she is sending her love to us every minute of every day. I hope you can feel that peace as well.*
