“ This is her with her great grand son and great daughters baby Chance who is now 30, Crimson who is now 28, and Tessa who is now 16th. Grandpa, great granny, and young Brandy in one. I have so many more. I still have boxes that have not been unpacked from the move. I hope to get more this weekend. It's the most I can do as I am unable to make it Sunday. I love you all and my heart is there with you all.

“ *She was the kindest person I ever knew. I still remember the days when I was young, she would play with my hair as my head laid upon her lap. No matter what was troubling me, she always made me feel better by doing that and her sweet words of encouragement. Her and grandpa Lockerby were an inspiration to me. They were the only grandparents that I had such a close bond with. Even with being states away they always wrote me and spent summers with me, and so much more. Though my heart breaks that I can no longer have the opportunity to hear their voices or feel their loving hugs. I know Grandma is wrapped in so much love being with grandpa, dad, uncle Jerry, Marvin, sister in law, great grandma and great grandpa. Sorry if I missed anyone. Forever in our hearts. We will see each again when i cross over that rainbow bridge. I love you grandma please rest in peace and send my love to them all.*
