“ In my life things never seemed to be of a normal setting ,and on throughout my life my Aunt Dottie would always be there when I needed an Ear to hear my silent cries and my ups and downs .I always wanted and needed her in my life and will always remember all the Bingo Games we played together and how she said Bingo when she got her first number called out .Her smile lit up the room when she walked in and she always had a kind word for everyone .On the day I really needed her she was standing tall for me .The passing of my Mother she pulled over that shoulder and let me know I had a rock to lean on .I will miss you a lot and one day will see you again .REST IN PEACE AUNT DOTTIE your work here on earth is done ,LOVE SHIRLEY MARGARET SMITH COX R.I.P.###imported-begin##Shirley Cox###imported-end##
