“ *Delores and Family*

*We were so sorry to hear about Doug's passing. We hope you and the Family, at this very difficulty time, find the Peace and Strength, today and always! And Delores, may loving memories of Doug bring you and the Family comfort, and ease the loss of his passing. We'll always remember our social gatherings with Doug and the Family. Those get-togethers were always fun and enjoyable. Doug will always remain in our prayers.
May Doug find Eternal Peace!*

“ *Doug was an absolute pleasure to work with at the Meraux Refinery. We have five crude oil storage tanks that reflect the high quality of his work. I'm so sorry he didn't get to enjoy the long retirement he deserved.*
