“ I miss you every day my handsome cowboy! I have nights where I can't sleep and I just lay awake thinking of you. I wish we could have spent Meany years together and made so many more memories, but I'm glad I got to spend your last weekend here with you and your babies. I miss them so much! I miss looking into your blue eyes and hearing your voice say that you love me and you will protect me. I know your watching over me handsome and I know you will be waiting at the pearly white gates for me. I love you forever and a day. I can't wait to see you again my love!

“ Hey brother. I didn't come here to share a memory. Just figured I'd stop in to chat. I still don't want to believe you're not around. I already miss you man. I'm sorry about the terms you and I were in when you decided to see the good lord. I hope you forgive me. I'm gonna watch those babies and Paige for, just like i promised I always would. I'll keep an eye on Cody too. Even though I'll never be able to fill your shoes. Rest easy brother. Don't worry about anything down here. I love you brother. I look forward to seeing you again.
