“ I am so sorry for your lost. Although it's difficult today to see beyond the sorrow. May looking back on your joyful memories will bring you comfort and help you through this time of sorrow.

“ To the Lenz family, sorry for your loss. We may have not seen each other often, but the time we spent together at our St.Joseph Alter's were one of the best times together. Saving the artichokes hearts for me and him was our thing.(still miss that).Coming up he would always use me as his dance partner (loved it). He was a well dressed man and everything had to be in place. Hope you rest in peace. May God Bless The Family And Keep You Safe. (sad) Love, Frank and Nettie Montelaro Padilla
