

Edward "Ed" Stewart

January 27, 1952 - March 22, 2016

Ed, age 64, went to his Eternal Home on Tuesday, March 22, 2016. He was a lifelong resident of Albany, a dedicated owner of Stewart's Granite and loved helping anyone who needed it. Ed was the most honest genuine person you would ever meet, and was considered a father figure to many. He definitely touched this world and even though he wasn't on a pew each week, he lived God's commandments and always tried to help others and sang the praises of knowing the Lord- a faithful servant. Spending time with his family and friends was the most important thing to him. Ed was a great provider, good man, and an avid deer hunter. Showing support to local politics was a passion for him to help the greater good. Not only was he a husband, but he was a lifelong best friend to his wife, Peggy, he was also a giving father, grandfather and friend who will be greatly missed.

Ed is survived by his loving wife of 43 years, Peggy Morgan Stewart; one special daughter, Becky Blount and husband Ben; his grandchildren, who were his pride and joy, Mason and Morgan Blount; sisters, Mary Ann Taylor and husband Garland, Betty Sue Daniels and husband Barry, Debbie Hampton and husband Ott; brother, Kevin Stewart and wife Marlene; beloved dog, Rascal; and numerous nieces, nephews and lifelong friends.

Ed is preceded in death by his parents, Edward "Boss" and Ora Stewart; mother and father in law, Catherine and Enos Morgan; and his niece, Brandy

Corkern.

Relatives and friends are invited to attend the visitation at Old Zion Hill Baptist Church on Thursday, March 24, 2016, from 6:00 p.m. until the Celebration of Life Service on Friday, March 25, 2016 at 1:00 p.m. Brother Gary Dennis will be officiating with internment in the church cemetery.

Arrangements have been entrusted to Brandon G. Thompson Funeral Home.

“ It's through tears and a heavy heart that I write this message about our special friend, Mr. Ed. Who was Ed Stewart? A very honest person, a man who loved his family, the telephone, baloney, Blue Bell ice cream, people, politics, helping anyone who needed help, and of course telling his life stories. He was like no one we have ever known. Pete always said he's one of a kind--the Lord threw away the pattern when he made Ed. When he came by the house to ask Pete to ride with him he'd always say "we'll be right back", but I knew better. I'd receive a call that they were on their way to Mississippi, Georgia or wherever. Upon returning I'd hear stories on Pete and the trip. I've always been told when we leave this world all we bring are the good deeds we've done...Mr. Ed needed an 18 wheeler to bring his many good deeds. The Lord must have said "a job well done my faithful servant it's time to rest." We'll miss our friend, his visits, phone calls and stories. Until we meet again rest in peace Mr. Ed.

We love you, Pete and Joan

“ I am so in shock about Mr. Ed's passing, he was a wonderful person. My family and my husband Charlie thought a lot of him. He was quick to lend a helping hand. He helped me out of a bind a time or two and I will forever be grateful. I think the first time he met me, he probably thought I was spoiled because I went with my grandparents to pick out some granite at his house and he witnessed a little disagreement on colors of granite between my grandparents and I, but when it was all said and done, he agreed with me that the other color wasn't right!!!! And he was so precise with things! He realized later that my grandparents and I were good and that I wasn't the person that he originally thought I was. 😊 I was amazed to hear him talk about Becky, she really was his whole world! He loved that girl with everything in him! He was so very proud of his daughter. And vice versa! She loves her daddy!!!! And..... How special is it that he's been with his wife since the first grade, what a testament of true love, good times and bad! What an honor it is to know this whole family, I'm so sorry that you are having to go through this terrible tragedy, my sincerest sympathy. I will be praying for you, and if you need me for anything, please know that I'm only a phone call away. God bless you all.

It's so hard for me to write just one special memory because all of memories with Ed were special. Ed is truly one of a kind and I'm honored to have him as my family and my best friend. If I have to choose then, I'd have to say it is when Peggy went on vacation with Becky and the kids. I could tell that he was really missing them because Ed called me and we talked and laughed for 2 1/2 hours about everything and everybody! Nothing bad about anyone but just about funny things that he and I had witnessed! He usually doesn't like to stay on the phone very long he's usually short and sweet and to the point but that night it was so different. He called me the next morning and said " Now, Darla, it's all your fault that I'm so tired! you, can't be keeping me on the phone like that anymore! I had to come home today and take a nap". He said he sure would be glad when Peggy and the kids got back home. We talked about his lil heart Morgan being so picky about her clothes and how everything has to match. How she checks out everything I wear and she loves jewelry! He wanted me to pick her up something every time I visit Texas. He wanted to make sure she was well supplied. He talked about Mason and how he's a good boy and he's quiet until he gets to know you. I love the story about when he wanted to date Peggy and he sold his horse so he could buy her an engagement ring and he proposed to her in class at Albany High School! He talked a lot about Scott always being a true friend. He told me about the first large land purchase that he bought and he had asked the lady at the court house to fill out his check because that's the only one he had brought and he was afraid he might mess it up. Peggy asked him if he was crazy and what were they going to do? He said he told her going to work my butt off and for her not to worry! I laughed When he told me he was slick because he caught Marty Johnson and Jory Tantillo at a store in Pumpkin Center. Ed had just gotten off the phone with Marty and she had told him she was going to Amite to work and he also had spoken to Jory a few minutes earlier and Jory had told him he was headed to the apartments to work. Although, Jory was being a good citizen and airing up a low tire for Marty he told them "I Caught Y'all". "Y'all just out right lied to me". Although, it was as innocent as it could be! but, to hear Ed tell his version it was so funny! If Ed ever told someone he was going to do something he always followed thru! He was going to tell you the truth! He and I have ridden many miles together, "Every Mile A Memory". every single memory is precious to me! I'll forever hold them near and dear to my heart... I love you Ed and miss you already..... Life, will never be the same without you....

“ Mr. Ed was a man who loved his family, he would often share his stories about Ms. Peggy or other family members something that would leave you smiling. At times, I knew he was joking but I knew there was a foundation to the story. I remember him saying he loved seeing one of his grandchildren sitting on the tractor, he was proud. We are so sorry for your loss and pray that God brings comfort as only he can. .Praying for your family.

“ Mr. Ed will be greatly missed. I can't even find the words to explain how much he helped me. When I rented the house from you two in 2005, I never had to worry about mine and the kids' safety because I knew Mr. Ed was only a phone call away. I even called after I moved away to get Mr. Ed's advice on something. I just can't say enough good things about him. What I will say, however, is that the obituary says it all. The world lost a genuinely kind soul. There will never be another like him. This I am sure of!

I'm lifting you and Becky up in prayer Mrs. Peggy. May God give you both strength and peace now and in the months to come.
