“ It has been so difficult for all of our family going through all of the "firsts" after losing our "baby" brother, Ted. He was always a unique character in all of the lives he touched. He always had something to laugh about and loved to tell it so we could laugh with him. We all had our special connection with Ted. I miss his regular phone calls which he always started as soon as I said hello, "I just wanted to check and see if you were still alive." My other siblings, including Marilou, and myself miss you so much Ted. We all love you so much Ted, your "Older Sister," Rita (which is how he loved to call me when he was introducing me to someone and always put an emphasis on "older.)

“ I grew up with Ted, his sister is my best friend, and I spent as much time as possible out in the country at their house, especially in senior year of high school. Ted was always easy-going, affable; he became a master woodworker and craftsman--I have this wonderful large bowl he made. He will be missed, and my prayers are with his family

“ Ted was one of the first friends I had in Hammond after moving from Amite in High School. He always had a kind word and great advice. Thank you, my friend.

“ *Ted was a very smart, loving and gifted man. He was a joy to be around. Joe and I always teased him about getting married every time he mentioned a lady. I told him we were saving up for his wedding present!! Sorry we never got to buy it. We'll miss him as so many others will.*

“ I am so very thankful that I had a nice visit with Ted at our 55th Hammond High School reunion only three weeks ago. He was always a cheerful soul and, even with the adversity following his surgery, I did not detect a hint of his feeling that he was dealt an unfair hand. We should all deal with adversity so well. Goodbye, my friend and fellow veteran. My life is better for having known you. Hope to see you again when it is my time.

“ I am very sorry to hear of Ted's passing, he and I were at Hammond Hlgh together in early 1960's and we had some really good times together. My condolences to all. It is said that we stand on the shoulders of those who came before us. With Ted you had a great pair of shoulders. Peace.
