“ I would like to take this oppunity to thank GOD for allowing Ms Beth to enter into my life. Ms Beth was like a mother to me she never looked at the color of my skin she only listen to the voice that was in her heart that love your neighbor as you love yourself and I will always love and cherish the memories of all the good time we shared and remeber all the love that she showed me as we travel up and down the highways. “ *My Sweet Aunt Beth,
I have and will miss you dearly. Now that you walk with God, be at peace and please watch over those you've loved. I have always cherished our name, Elizabeth, a somber whisper afloat in the wind as we morn your passing and celebrate your life. Knowing you has been a blessing for all. Until the time comes, we shall greet each other again someday with arms wide open.
