“ *My Nana will be missed, after so many years apart it took Katrina to bring us back together. The most important thing I learned from her is don't wait to stay in touch, if you do it might be too late. My husband met her the first time last year and was so looking forward to seeing her again this August. He says he is just grateful he was able to meet her then. All my love to Aunt Sis, Tracy, Johnny, Butch, and all the other family members. Our hearts and prayers are with you.##imported-begin##Frank Green##imported-end##*
