“ Oh my beautiful mother, you will never know how much I love you and miss you already. I don't know how Jesus does it, but he sure gave me the best mom of all. I remember all of the good times we have had and thanks for going with me to Branson, we shared such good times and special moments that no one can match or ever take away from me. I am so glad you are in Heaven now, how beautiful it must be. Just remember how much I love you. I know I will miss you because I already feel the empty spot in my heart, but to know you are no longer in pain, and can breath with out hurting and that you are walking on streets of Gold, Thank you dear Jesus. I love you mom.##imported-begin##Kathleen Robillard##imported-end##
