“ Ernest Gann was a very humble, honest, understanding and loving man. As father-in-laws go, I could have asked for no one better.

He raised 4 wonderful children. He watched them raise children of their own. The grand-children had him wrapped around their fingers and when the great grand-children came along they were his crowning glory. A long line of love, that all began with the love between Ernest and Lonnie 60 years ago.

He answered to many many different names; "Ernest", "Ern", "Daddy", "Pop", "Grand-paw" or "Paw-Paw", but on November 5, 2008 God called him "Son" and called him to his heavenly home.

We that are left behind miss you. We hurt and our hearts are broken. We take comfort knowing that you will sleep now, whole again and pain free with Jesus until we are all reunited with you in heaven.

I cherish every memory and moment I had the privledge of being your daughter-in-law. Being with you over the last weeks, hours and minutes of your life was a privilege and honor. I hope I managed to help comfort you in someway during this dark time. I couldn't start to tell you how much I respect and have learned from you. I will miss you.##imported-begin##Ray and Toni Guitrau##imported-end##
